THE GLADE CHURCH

CODE OF CONDUCT

Behavioral Expectations:

Students are expected to abide by the following rules below.

1. Be safe
   - Do not put yourself or others at risk of harm
2. Be kind
   - Treat everyone with respect and use words wisely
3. Be on time
   - Always be at your assigned location according to the schedule.
4. Be a team
   - Always travel using the buddy system on campus
5. Be a listener
   - Always listen when a leader is talking

Technology:

Students are not allowed to bring cell phones, tablets, ipods, gaming devices, kindles etc. to camp. The goal is for our children to disconnect from technology and connect with God, peers, and leaders. Kids Ministry will send out daily updates to families using email, social media, and text communication. Children can call families on a chaperone's phone if they need to speak with a parent/guardian. If a family needs to reach us, they can call any adult volunteer on the contact list. There will be fun activities for the children on the bus ride.

Participants will be sent home from camp if they:

-Participate in bullying, hazing, or any activity that puts themselves or others at risk

-Refuse to listen and obey adult volunteers

I, _____ (*participant name*) have read this entire document and agree to abide by the expectations presented.
